Dear Team Leader,

Please find enclosed the model year **2012** application for engine family **CNVXH07570GE**. On behalf of Navistar, Inc., I hereby certify that the test engines, as described in this application for certification, has been tested in accordance with the applicable test procedures, utilizing the fuels and equipment required under Subparts D, I and N of 40 CFR Part 86, and that on the basis of such tests, except for NTE, the engine conforms to the requirements of 40 CFR Part 86. I further certify that all engines in these engine families are in all material respects as described in this Application for Certification and comply with all requirements of 40 CFR Part 86 and the Clean Air Act.

[FEL & NTE]

For the candidate Emission Family **CNVXH07570GE**, the actual FEL and NTE are under review and discussion between EPA NVFEL, DECC and Navistar.

[CBI]

I hereby assert that certain information in this application is confidential business information. The information which we assert to be confidential business information has been marked as such in the Application for Certification.

[Low Idle NOx Compliant]

All models in this engine family meet the 30g/hr low idle NOx standard.

Sincerely,

EPA (b) (6) Personal Info
